VALLEY CHRISTIAN HIGH SCHOOL

SENIOR OFF-CAMPUS PRIVILEGES FORM 2025-2026

Off Campus - Lunch Privilege

1. Senior students may leave for lunch after the bell has rung, ending the preceding period.
2. Students may leave by motor vehicles provided that:
    a. The school has a signed permit on file for drivers. This includes the first week of school. NO permit, no privileges.
    b. We have this signed form on file which allows your student to ride with other seniors for lunch.
3. All students must return in time for class, chapels, and school assemblies. Failure to do so could result in detention for driver and rider(s). Repeated tardies will result in withdrawal of off-campus privileges.
4. Students will not be permitted to congregate or loiter in the parking lot or parked vehicles. Students should leave, return, park, and leave vehicles and the parking lot **IMMEDIATELY**.
5. Off campus lunch privileges are for **SENIORS ONLY.** Seniors may not take underclassmen off campus during lunch, doing so subjects them to lose their off-campus privileges.
6. No Rowdy, unmannerly behavior at local business establishments including littering, reckless use of motor vehicle, etc., as reported to the school by the owner or manager of that establishment.
7. No littering on campus - fast food wrappers, bags, pop cans, etc., left or dumped on lawns, parking lots, the street in front of school, campus area, etc.

I have read and agree with the conditions/policy stated above regarding Senior Off Campus – Lunch Privileges.
I will abide by the rules and support the administration of the school as they oversee the off-campus policy.
