

SECURE  **THE FUTURE**
Naming Opportunities

PERFORMING ARTS CENTER | \$3.5M+

A Worship and Performing Arts Center has been a wish for the school since its founding. But with the growth of our programs and the need to now support K-12, this is no longer a wish, but a need.

We are currently seeking a family or foundation that is interested in championing this endeavor, and we are offering naming rights of the building as a thank you. A gift of half or more of the projected \$7 million cost would secure naming rights and recognition as part of this campaign.

2-STORY HIGH SCHOOL BUILDING | \$2.0M+

Help us expand from a capacity of 440 students to 650 students with the completion of the two-story high school classroom building. The entire first floor—the Nelson STEM Floor—is dedicated to our expanding STEM offerings and is named after longtime VCS teacher, coach, and friend, Al Nelson.

A gift of half or more of the projected \$4 million cost for this 11-classroom building would secure naming rights and recognition as part of this campaign.

LOBBY, PERFORMING ARTS CENTER | \$250K

A Worship and Performing Arts Center has been a wish for the school since its founding. But with the growth of our programs and the need to now support K-12, this is no longer a wish, but a need.

The lobby is not only the entrance to this state-of-the-art building, but will be used for small VCS and community events throughout the year. Put your family's name or organization's name on the lobby with this foundational gift.

ONE STEM CLASSROOM (4) | \$100K

Put your family's name or organization's name on one of four brand new, STEM-specific classrooms on the first floor of the new two-story high school classroom building.

Or, honor your favorite teacher, staff member, coach, or VCS family by naming one of the classrooms in their honor.

4 classrooms available

ONE TRADITIONAL CLASSROOM (7) | \$50K

Put your family's name or organization's name on one of the brand new classrooms on the second floor of the new two-story high school building.

Or, honor your favorite teacher, staff member, coach, or VCS family by naming one of the classrooms in their honor.

7 classrooms available

NEW VCS TEACHERS' LOUNGE | \$50K

We are thrilled to include a brand-new, much larger teachers' lounge as part of this new building.

Our teachers are the lifeblood of the school, and we are delighted to provide more dedicated space for our high school faculty to work, to gather, or to unwind.

We are pleased to recognize foundational financial gifts to the campaign through naming and recognition on different sites on our campus. To indicate your interest, please make a note when making your commitment, or contact the Campaign Office directly.
