

# CLASSROOM NAMING OPPORTUNITY

The classroom naming opportunity allows donors to dedicate a classroom to one of the following Christian or VCS values, on behalf of one's own family, a business, a favorite teacher or coach, another VCS family, etc.

To participate, select a Christian or VCS value below, then list who you would like to dedicate this "on behalf of." VCS will suggest an appropriate Scripture verse to represent this Christian value, or will work with you on selecting a verse that does so. Examples are provided below.
