

June 20, 2021

For my fellow friends of Valley Christian Schools,

Picture it: A few years from now, on a beautiful evening, we greet each other on the Legacy Walkway on Valley Christian Schools' newly finished campus.

Our families are together, excited to share our experiences. Then, we approach your brick...

...the corner where your family motto is etched in stone, alongside those honoring hundreds of other families, loved ones, alumni, groups of friends, classes, and businesses.

Each of these, advocates of Christian education who answered the call to pave a path toward an expanded campus by purchasing a brick for the Legacy Walkway.

I share this snapshot of a possible evening in your near future because I want you to envision with me the possibilities of a united campus for all VCS students, faculty, and families.

A new, expanded home for our entire community.

And I want you to see your place in it, and how a contribution won't just bless the current generation of students, but will allow future generations to enjoy what you and I have inherited: the truly incredible gift of a nationally-recognized school that offers excellence in academics, without compromising the truths of our faith in our Lord Jesus Christ.

The Valley Christian Schools' **Buy-A-Brick Campaign** is your chance to leave your mark on the **Legacy Walkway**—the heart of the campus that will bring together the whole VCS community.

Fittingly, the walkway will feature messages of faith, hope, and love—from families, individuals, couples, grandparents, teachers, alumni, businesses, associations, even churches. They will be seen by everyone who walks between our high school and the future home of the elementary and junior high campus along 56th Street.

All proceeds will benefit the **Secure the Future** expansion project. So when you buy a brick, you are helping to pave the way between campuses for the VCS students of tomorrow.

With the Buy-a-Brick Campaign, you can do so much more than build a pathway. You can be a part of the impressive legacy we are building at VCS, securing Christian leaders of the future.

So, what will the message on your brick be?

- A Scripture verse?
- A logo?
- A name? Many names?
- A message of hope?

You decide. But *please, don't delay.*

Because we need quality Christian education now more than ever. In paving a pathway between our current and future campuses, we are preparing for the time when all of us – our entire school – will all be together on one campus.

Our goal is to secure 200 brick purchases by the end of the summer. I am inviting you to join me in being part of that! When you visit the Buy-a-Brick page at valleychristianaz.org/brick, you'll see that you can choose from three sizes:

- 4 x 8 Brick (\$250)**
- 8 x 8 Brick (\$1,000)**
- 12 x 12 Brick (\$2,500)**

And if there's too much you want to put on your brick, don't worry—you can always buy a second or third brick, or a larger size!

For 39 years, Valley Christian Schools has had a transformative impact on the lives of thousands of students and families, and the communities in which they live. **Your participation in this campaign will help us continue to build on this strong legacy.**

And if you have any questions about Buy-a-Brick, please do not hesitate to contact me at mpstavros@gmail.com. For other questions concerning the Secure the Future capital campaign, or any other giving opportunities, please contact VCS Director of Development, Kittren Dibley at kdibley@valleychristianaz.org, or (480) 705-8888 x261.

May God bless you and your family, and Go Trojans!

Sincerely,

Maria Stavros

Brick Campaign Chairperson, VCS Mom

P.S. – Don't delay... visit valleychristianaz.org/brick and join the legacy of excellence and faithfulness that Valley Christian Schools is building. Please help us secure 200 bricks today!
