

Dear VCS Families –

Ordering lunches is made easy through FACTS (RenWeb). You may log into Family Portal and order lunch for your students. As soon as the order is submitted through Family Portal, it displays in FACTS SIS. If the order is changed in FACTS SIS, the change is immediately reflected on Family Portal.

Lunch orders are do each Thursday at midnight for the following week. You may order for the week or the month.

Lunch credits will only be given for circumstances out of your control.

Below are the EASY step by step directions and the portal will open on July 25th!

The screenshot shows the FACTS Family Portal interface. At the top, there are links for 'Order lunch' and 'Order status'. The main content area displays a calendar for the week of 1/8/2021. The calendar is organized by day (Sun to Sat) and lists lunch items with their prices. A legend in the top right corner explains the status indicators: Red for items ordered and not yet paid through web payment, Blue for items ordered and paid through web payment, and Green for items ordered, paid, and changed by school. A 'View lunch calendar' label points to the calendar grid.
