AP testing in spring with information regarding credit transfer

AWARE

Our goal in the advising department is to

- empower parents and students, through a multi-faceted approach, to be aware of:
- Graduation, college admission and scholarship requirements.
- Students' progress toward achieving post graduation goals.
- All possible educational, athletic, and vocational opportunities for every student.
- Resources available to support goals.

PREPARED

- ◆ Prepared for the academic rigor of college.
- ◆ Prepared for entry into a job/career.
- ◆ Prepared for college admission and scholarship consideration.
- ◆ Prepared to be a voice for Christ, no matter where God leads them.
- ◆ Prepared to graduate!

MICHELLE CEFOLA

Dean of Academic, College,
and Career Advising

ELIGIBLE

What does it mean to be "eligible"?

We aim to be sure that your student is not only eligible for graduation and college admission but will surpass most all university admission criteria, as well as meet NCAA and NAIA eligibility requirements.

CAREER/COLLEGE READY

We educate, inform, encourage, challenge and celebrate each step toward college and career readiness, so our graduates are confident and prepared for success. Just some of the ways we do this:

- ◆ Individual and group yearly meetings.
- ◆ CCL class, Naviance, test prep and College Board resources.
- ◆ AP and dual enrollment class offerings.
- ◆ Special events including college fairs, college rep visits, junior night, underclassmen night.

SUMMERSLEE LATHAM
