

FIRM FOUNDATION

How many times have you been told, “the days are long, but the years are short”? I’m sure some of your days have felt very long, but here we are, the end of 2023. We often measure years by our children, and at Valley Christian Schools, we have a lot of them to measure time by! Personally, my senior causes me to want to “freeze time,” but it marches on, and she is ready to launch, thanks in large part to VCS.

This year our Head of School, Dan Kuiper, announced his retirement for June 2024, ending his 41 years of service at VCS, this service has changed the lives of thousands of alumni, staff, students, and all the communities these people have impacted. Dan points all glory to God.

Dan has guided and led well, and he has prepared us for this change. He and those early Board members, founders, teachers, and staff stood on Christ as the **firm foundation**, and their decisions and actions sprung from it. I imagine Dan would proclaim his days at times were long, but the years are indeed short. His unwavering commitment to equipping culture changers for Christ is something we are eternally grateful for.

As we end 2023, VCS asks that you consider us in your **Year-End giving plans**. Last year, we all came together for the K-8 campus security fence. This year, our high school gymnasium needs attention. The Bradley family built this gym in 1996 as the hub of this ministry, and it certainly has been. This gym has seen weekly chapels, Trojan Tournaments, assemblies, dances, academic testing, sports, and so much more. Let’s ensure our gym goes the distance by addressing the gym floor, which is the foundation of the building. Additional needs include bleacher seating, padding, and paint. We ask you to join us in this project, and thank you for your support of Valley Christian Schools.

On His Firm Foundation,

Kittren Johnson
Director of Development

“Together, we are His house, built on the foundation of the apostles and the prophets. And the cornerstone is Christ Jesus Himself. We are carefully joined together in Him, becoming a holy temple for the Lord”. Ephesians 2:20-21

“Christ is our firm foundation, the rock on which we stand!”

The Bradley family built the gym on the Chandler Campus as the first building erected. They believed it was vital for ministry and community. It's time to refresh this space. Make a one-time gift to VCS, then check back to hear how we have been faithful with your donation.
