

YOU'RE INVITED TO
2024 CHAMPIONS BREAKFAST

THURSDAY, APRIL 11 | 7:30AM-8:30AM | CCV CHANDLER

Champions Breakfast directly supports the Champions Circle campaign.

WHAT IS CHAMPIONS CIRCLE?

In 2017, VCS leadership identified a need for the school to move toward long-term financial sustainability. They recognized that our mission to equip students to be culture changers for Christ could not be accomplished without careful strategic planning.

In answer to this need, Champions Circle was born. Champions Circle consists of members of our community who are champions of the mission of VCS and are financially championing its long-term development and growth. Champions Circle members partner with VCS by pledging at least \$1,000/year for 5 years or more. This allows us to start each fiscal year with donations we can count on so we may accurately plan for future projects.

Over the past seven years, our generous donors have pledged more than \$2.5 million toward this campaign. As a direct result of their support, Valley Christian has been able to increase the number of grade levels served, improve existing programs, and add new programs that make Valley Christian "uniquely better."

Champions Breakfast is a unique time in which we are able to showcase both our students and the work God is doing at Valley Christian. Programming will include performances from our Fine Arts program, moving testimonials from our students, and heartfelt speeches from Valley Christian parents. We would love to have you there to learn more about what the Lord is doing through VCS and how you might partner with us.
