

# Justin Kyle Lett, "Dream Then Do, in the Name of the Lord" Memorial Scholarship

To our dear Valley Christian family, thank you for your continued love, prayers, and acts of service on behalf of Justin and our family. We are grateful for your overflowing of kind words, blessings, shared faith, and precious memories of our sweet Justin, who loved His Lord God with all his heart, and is now at home with God in Heaven. Justin loved and cherished his family, friends, and every person from our wonderful VCHS family, and we are honored to celebrate Justin's brilliant and beautiful life and love for God and

for people through the establishment of the Justin Kyle Lett, "Dream Then Do in the Name of the Lord," Memorial Scholarship, at Valley Christian High School. Since 2019, Justin's endowment has been presented every year to a new VCHS student, and will continue on each year, forever. The scholarship is awarded to a student who reflects a deep love for God and His people, as well as a passion for life and a desire to live each day to the fullest, cultivating meaningful relationships, and dreaming big and acting upon those dreams, as led by God. We are honored and blessed by each student who has applied, and truly wish we could award the scholarship to every applicant. Thank you for honoring Justin so well, and for giving God all the glory. Soli Deo gloria. Untouchable is Justin's legacy, that in twenty-eight years of beautiful life, has made a lifetime of joy and Kingdom impact, with a sincerity, sweetness, compassion, and honesty that will live on in fullness without end; forever held safely within God's mighty hands, as set forth by God's master plan, and the example of love we have in His son, our Lord and Savior, Jesus Christ.
